Dear Friends and Colleagues

It is a great honour for me to personally invite you again to the 10th International Breast Symposium Düsseldorf (IBSD) at the Hotel Kö59 (former InterContinental Hotel) situated at the Königsallee. The meeting will be held as a hybrid meeting due to the ongoing situation. Again, we have been able to recruit national and international experts with a great experience in all areas of aesthetic as well as reconstructive breast surgery.

After last year's great response and success, we will enlarge the spectrum of the BREAST & BODY live surgery day. This year there will be 11 surgeries from three rooms over two days. In our breast augmentation challenge, the surgeons will compete against each other in different rooms but with the same surgery. Same task - different possibilities! The surgeries will be performed with outstanding, well-known Surgeons.

Further, the aim of our 10th Symposium is to have lively scientific controversial discussions together with the participants and the faculty. Again, we will focus on pro- and contra sessions to take the great opportunity to strengthen the multidisciplinary approach between the colleagues to create a platform for an open discussion from different perspectives.

The program is focused to surgical indications and selection of appropriate techniques for breast surgery:

- **Reconstructive breast surgery**
- **Aesthetic breast surgery**
- **Body contouring surgery**
- **Breast oncology & reconstruction**
- **Robotic tools in surgery**

TO BE ABLE TO DECIDE IN A SPONTANEOUS WAY HAPPENS VERY RARELY. ALTHOUGH I WOULD LOVE TO DO SO MORE OFTEN BECAUSE IT MAKES ME FEEL FREE. WHAT AM I UP TO RIGHT NOW?

I am looking for a vacation without pressures. Doing as one pleases.
To drift in my day without planning. Sleep as long as I want, have breakfast and walk into nature.
Savour food and enjoy as much as I want and what flavour I feel like. Swimming after sunset.
Sauna in the early morning. Yoga or Hiking. Massage or skiing.

IT CAN BE MY VACATION, MY WAY. IN MY TREE-HOTEL AT THE PLOSE ABOVE BRESSANONE IN SOUTH TYROL/ITALY.

MY-ARBOR.COM

Name the code **THINK WILDED** for a massage for free. **50 minutes of relaxation**

Without the time and support from the outstanding faculty and the audience, we would not have been able to accomplish this fantastic program.

I am looking forward to welcome you in Düsseldorf.

Kind Regards
Prof. Dr. med. Christoph Andree

B-Lite® Measuring Workshop

9th of July, 2022
1:00 - 2:00 pm
Main Hall

This **live workshop** demonstrates the measurement of the breast and the selection of breast implants. You will be introduced to different methods of breast measurement and learn more about the individual choice of implants for patients, taking into account their anatomy and preconditions. In addition, the measurement will be presented to you on a model.
